**We can't change the world,
but we can change our small corner!**

**If there were no
bees there would be
a huge shortage
of food**

**A bee does a
WAGGLE DANCE
to pinpoint to the rest of
the hive of a good source
of pollen up to 6km away**

**The reason why
bee hives are noisy is
because bees beat
their wings 11,400
times a minute.**
