

RAINWATER HARVESTING WORDSEARCH

**We can't change the world,
but we can change our small corner!**

**At Glenilen Farm we harvest all
the rainwater on the roof of our dairy**

**Water
is also needed
to help cool milk as
it comes into the
storage tank**

**DAIRY COWS
NEED 60-80 LITRES
OF WATER EACH DAY
TO PRODUCE MILK**

**Harvesting
rainwater on our farm
gives us 320,000 litres
of water each year**

**Water is used to
wash cows, yards and
milking machines**
