

SPOT THE DIFFERENCE

We can't change the world,
but we can change our small corner!

We have planted nearly
8,000
native Irish trees
on our farm

We harvest all the rainwater
on the roof of our dairy,
about 320,000 litres per year,
and then use it around
the farm

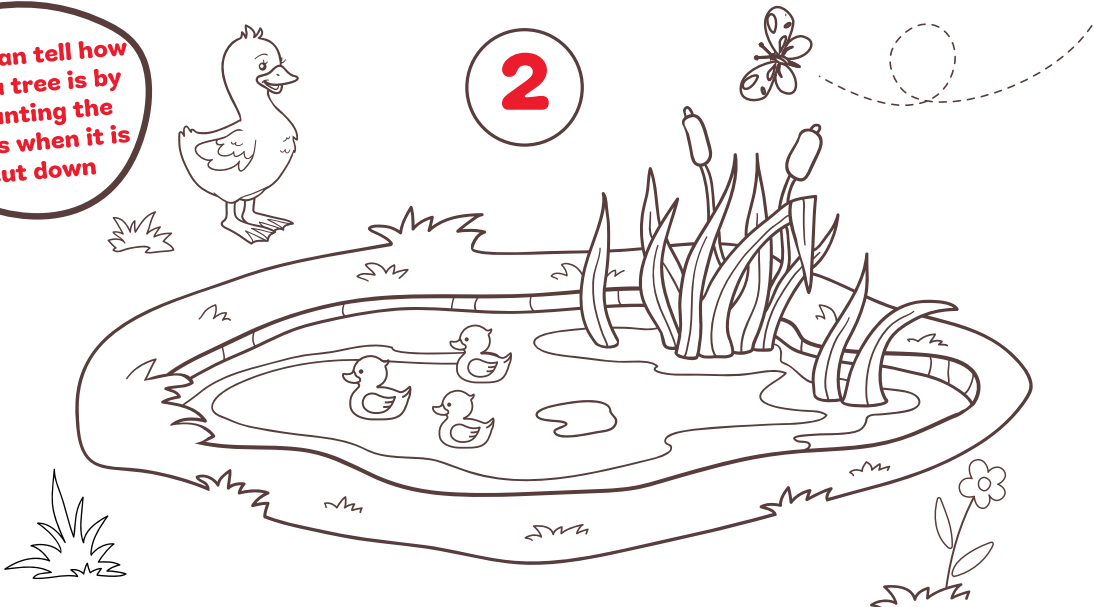

1

Look carefully at both of these pictures. Can you spot 5 differences?

You can tell how
old a tree is by
counting the
rings when it is
cut down

2

Visit our website to check if you spotted the correct differences!
